BALTIMORE AND OHIO RAILROAD COMPANY COLLECTION, MS.2003 Thousands of incoming letters and telegrams pertaining to all phases of Baltimore and Ohio Railroad history from 1859-1880: finance, traffic, railroad competition and combination, labor, legal questions (purchase or condensation of property, etc.), politics (items showing B. & O. lobbying for or against bills on railroads in Congress and in various states-Maryland, West Virginia, Ohio), management and operation, plant and equipment, relations with subsidiary railroad, steamship, and express companies. Letterpress copies or MS. drafts of outgoing correspondence from John W. Garrett and other leading B. & O. officers, pertaining to the same subjects. Hundreds of interoffice

memoranda to Garrett from his subordinates, often with pencilled notations by Garrett in the margin. Numerous long, detailed letters between Garrett and his two vice-presidents during the 1870s, John King, Jr., and William Keyser, full of discussions of railroad rate wars and conferences, contracts with shippers, the condition of the road, policy and management questions, etc. Hundreds of routine railroad items: newspaper clippings, statistical reports and tables, drafts of Garrett's speeches and remarks to B. & O. board meetings, drafts of contracts, agreements, briefs, etc., routine reports from B. & O. agents and other officers, correspondence pertaining to claims against the company, letters requesting free passes or information, pamphlets containing Garrett's speeches, testimony of B. & O. officers before Congress or state legislatures, copies of bills and laws and legal opinions affecting the company. Items of particular importance include: 1) Several hundred letters and telegrams detailing the B. & O.'s activity during the Civil War; troop movements, Confederate destruction of railroad property, efforts to keep the railroad open and in repair, correspondence with Union generals and Government officials. 2) Several dozen copies of letters and telegrams relating to the railroad strikes of 1877. 3) Correspondence between King, Keyser, and Garrett, setting out company strategy and policy concerning rate wars, pooling agreements, efforts to secure larger measures of the oil, grain, livestock coal, and other important traffic, general management of the road and its subsidiaries, political and legal questions, etc. Among the corporations that figure more or less prominently in the correspondence are the Standard Oil Company, the House of Morgan, the Pennsylvania, New York Central, Erie, Wabash, and Reading Railroads, the Grand Trunk Railway, the North German Lloyd and Allan steamship lines, the Western Union Telegraph Company, the Adams Express Company, and dozens of eastern, southern and western railroad companies. Occasional important letters to and from the following business and railroad leaders: J. P. Morgan, Junius S. Morgan, Jay Gould, William H. Vanderbilt, J. Edgar Thomson, Thomas A. Scott, Alexander J. Cassatt, Collis P. Huntington, Franklin B. Gowen, A. J. Drexel, Samuel Sloan, Albert Fink, and many others, including the leading officials of Standard Oil and every important railroad serving the Atlantic Coast and Middle West. c. 60 boxes (75,000 items), 1859-1880.

**BALTIMORE AND OHIO RAILROAD COMPANY CHARTER, MS.1078** Bound photostatic copy of the original charter granted to the Baltimore and Ohio Railroad Company by the State of Maryland in 1827. 1 vol., 1827.

**BALTIMORE AND OHIO RAILROAD COMPANY PAPERS, MS.1192** Letters, mainly addressed to Philip E. Thomas, President of the B. & O. Railroad, between 1827-1830, concerning early technical problems. Some of the letters volunteer plans; others give information on how other roads (Quincy, Liverpool and Manchester) were meeting problems. One letter from Roger B. Taney, July 3, 1828. 23 items, 1827-1830.

**BALTIMORE AND OHIO RAILROAD COMPANY PAPERS, MS.1135** Collection consists chiefly of letters to Presidents of B. & O. Railroad, 1827-1866. Subjects include laying of first stone in Baltimore, July 4, 1828; letters from town committees in Virginia, Ohio, and Pennsylvania, relocation and termination of completed road, etc., 1827-1829; bills of lading for bars of railroad iron from London, 1851-1853; general correspondence

on pay, finances, construction, 1829-1830, and legal matters, 1827-1837; material on the role of the railroad in the Civil War-Harper's Ferry and Martinsburg, Virginia, areas- especially letters and telegrams sent to President, J. W. Garrett. Correspondence from army officers, War Department, etc., re troop carrying, damage and repair to railroad, and safeguarding the railroad by Union troops, 1861-1865. 116 items, 1827-1866.

**BALTIMORE AND OHIO RAILROAD COMPANY RECORD BOOKS, MS.49** Two volumes of records of the line from Baltimore to Point of Rocks; conductors' reports showing names of passengers, rates charged, and baggage carried, 1833-1834. 2 vols., 1833-1834. **BALTIMORE AND OHIO RAILROAD COMPANY RECORDS MS. 1925** Inter-company communications and incoming letters and telegrams; letters to John W. Garrett (1820-84), president, 1858-84, containing his annotations; letters regarding the procurement of iron and steel, discussing quality, style, price, delivery, tariffs, litigations, and sale offers to the Baltimore and Ohio Railroad Company, 1854-80; purchases, manufacture, and allotment of various railroad cars, with some references to their use in moving troops during the Civil War, 1858-80; correspondence concerning the gradual extension of the B & O to include the Central and Ohio Railroad, 1860-80, and the Ohio and Mississippi Railroad, 1870-80; material including relations of the B & O with the Little Miami Railroad, Somerset and Mineral Point Railroad, Somerset and Cambria Railroad, and Somerset and Johnston Railroad, 1860-80; letter about the determination of Thomas J. "Stonewall" Jackson to destroy the B & O line in 1862. Prominent correspondents: John Strode Barbour, Andrew Carnegie, Samuel Morse Felton, John H. B. Latrobe, Samuel Merrick, Enoch Pratt. Register available. 18 boxes, 1854-81

**BALTIMORE AND OHIO RAILROAD COMPANY RECORDS, MS. 1816** Eighteen bound volumes of letterbooks, each indexed by addressee, of the outgoing correspondence from the office of the president of the Baltimore and Ohio Railroad, written by or for President John W. Garrett (1820-84) to political and military leaders, officials of other railroad companies, and Baltimore and Ohio officials and departments: daily operational and managerial concerns of the railroad through the Civil War years with comments on John Brown's raid at Harper's Ferry, Virginia; the destruction and theft of railroad property; concern for the safety of railroad employees and construction crews from Confederate troops, guerilla bands, and intoxicated Union soldiers; conflicting pressures for the delivery of troops, arms, mail, and coal and efficient passenger and freight service; a letter to President Abraham Lincoln promising delivery of gas coal to the Washington Gas Light Company, but pleading the conflicting demands of military and other pressures for services; comments by Garrett for good management practices as he dealt with mechanical failures, fires, accidents, employee efficiency, negligence, misconduct, scheduling problems, competing railroads, potentially disadvantageous legislation, coal strikes, availability of iron, finances, collecting claims against the governments and claims against the company, law suits, and company growth through new routes and extended services. 18 vols., 1859-67 **BALTIMORE AND OHIO RAILROAD COMPANY RECORDS MS. 2157** Financial reports, stockholders' correspondence, and loan records, 1926-38; public relations records consisting of press releases, correspondence, and annual reports, 1857-1938 and 1951; public speeches by

John J. Corwell and Daniel Willard, 1926-33; correspondence, speeches, and minutes of meetings concerning the relationship of the Baltimore and Ohio Railroad Company and the Northwestern Virginia Railroad Company, 1853-54. 2 boxes, 1853-1951

**BALTIMORE AND OHIO RAILROAD COMPANY RECORDS: REPORTS OF THE COMMITTEE FOR HISTORICAL MARKERS, MS. 1856** Typewritten reports, blueprints, and photographs dealing with the erection of markers on sites of historical significance along the Baltimore and Ohio Railroad's Cumberland Division and Baltimore Division, East End. Cumberland Division report: placement of historical markers on sites of Civil War blockhouses in Maryland and West Virginia; complete list of blockhouses along the B & O system in 1866; photographs and blueprints of the sites showing the railroad system and roads; brief descriptions of Civil War military activities which took place at the sites.
