Medium Prints Collection Inventory

The Medium Prints Collection includes over 600 depictions of events, people, and places important to Maryland’s history. Lithographs, woodcuts, newspaper images, and advertisements represent just some of the various print formats contained in this collection. Images of famous houses, portraits, Baltimore city views, and Civil War fortifications and camps are particular strengths of the collection. The prints in this collection are no larger than 18 x 24 inches.

*Items in the Medium Prints Collection are organized alphabetically by region and subject.*
